FAMILY WELFARE
(SHRI FAGGAN SINGH KULASTE)

(a): During the second phase of Mission Indradhanush, 11.6 lakh sessions were organized.

(b) & (c): Mission Indradhanush aims to increase full immunization coverage in India to atleast 90% children by 2020. However, in 199 districts the improvement in immunization coverage was not satisfactory during the first and second phase and therefore these districts were included in third phase of Mission Indradhanush.
